## International Society for Laboratory Hematology

### 2023 The Pathology of Systemic Mastocytosis

Date of CE Release: 11-27-2023

Date of CE Expiration: 11-27-2026

Location: Online

#### Acknowledgement of Financial Commercial Support

Blueprint Medicine

#### Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

#### Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

#### Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Society for Laboratory Hematology. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

#### Physicians

##### ACCME Credit Designation Statement

Amedco LLC designates this material for a maximum of 10.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### Objectives - After Attending This Program You Should Be Able To

1. Recognize key morphologic and immunophenotypic features of SM.
2. Become familiar with key diagnostic laboratory tests (allele-specific KITD816V testing including high-sensitivity and NGS, high sensitivity flow cytometry) and understand their utility, advantages, and pitfalls
3. Be able to integrate the morphologic, laboratory, and clinical data to generate a diagnosis according to the recent WHO-5th edition and International Consensus Criteria (ICC) 2022 classifications and NCCN guidelines.

#### Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.

Name	Commercial Interest:Relationship
Tracy George	Blueprint Medicines, Cogent Biosciences :Consultant
Anton Rets	Blueprint Medicines:Scientific/Medical Advisory Board Member
Adam Kohm	NA
Justin Kaiser	NA

#### How to Get Your Certificate

1. Go to [islh.cmecertificateonline.com](https://islh.cmecertificateonline.com)
2. Click on the **2023 The Pathology of Systemic Mastocytosis** link.
3. Evaluate the meeting.
4. Print, download, or save your certificate for your records.
5. If you lose your certificate, or need help, go to [help.cmecertificateonline.com](https://help.cmecertificateonline.com)
